LAW ENFORCEMENT COMMUNITY SERVICES

Trauma Response & Care (TRAC) Training

COURSE DESCRIPTION: This workshop provides training to faith-based people who represent all faiths and cultures within our communities. Attendees are extensively trained by Peace Officer Standards and Training (P.O.S.T.) certified instructors in matters related to crime victim's trauma, practical assistance during emergencies, and critical incident stress reactions. Attendees will learn how to serve law enforcement families, departments and potentially assist crime victims and those distressed by traumatic events in the community, alongside sworn and non-sworn police personal during actual crisis.
LECS (non-profit 501©3) oversees the interfaith Law Enforcement Chaplain's Program as a secular organization with strong spiritual overtones. Attendees will be trained in the POST Certified, Lexipol Compliant, NEMS Deployed, O.E.S Classified, and Field Mutual Aid Training Curriculum.
