

At Reading Partners we believe literacy unlocks opportunity.

You can help us make sure that every child has the support they need to succeed. We combine the power of community volunteers with a highly effective, research-validated program that has helped thousands of children master the fundamental reading skills they need to succeed in school and beyond.

Our reading centers are located in eight Sacramento elementary schools.

Get Involved

Volunteer. By becoming a reading partner and volunteering as little as one hour a week, you can help a child learn to read. We provide an easy to use curriculum and on-site staff support to enable any volunteer to be an effective teacher. You bring your commitment and we'll help you with everything else.
