"The example of his spending is that of a rock with a thin coating of earth upon it: when a heavy rain smites it, the earth is washed away, leaving the rock bare; such people derive no gain from their acts of charity. Allah does not set the deniers of the Truth on the right way."

-- Quran 2:262 - 264

"Whoever is kind to the poor lends to the Creator, and they will be rewarded for what they have done."
